Wednesday	11 weeks	2-5	Brixology	Mad Science of Farifield County	\$235

No ASE classes: 1/16, 1/21, 2/18, 2/19

Make-up classes: 4/1, 4/2, 4/3

Art Exploration	Explore and discover as you draw, paint and build. Students will explore different mediums techniques throughout the session including: painting on canvas pottery, creating tile mosaics, clay sculptures and more. Projects provide a wonderful opportunity for creative expression.
Brixology	Build a different LEGO project, inspired by an engineering theme, each day! Explore engineering fields including mechanical, structural, aerospace, nautical, and bioengineering. Use critical thinking, cooperation, and creative problem-solving to test and improve creations. Experience extended learning with take home toys to reinforce each concept!
Cooking for Kids	Calling all chefs! Learn the basics of cooking and meal preparation in this fun-filled and tasty class. Ingredients containing nuts, gluten and soy may be used.
Intro to Robotics	Learn robotics and programming with Ozobots, fun little robots are capable of doing amazing things. Learn concepts of programming by using Ozocodes where color codes control the behavior of the robot. Move into more advanced concepts, such as loops, variables and functions.
Mix it Up Sports	Play different sports, learn fundamentals and strategies, and have fun! Focus on teamwork, cooperation, tolerance, sportsmanship, and fair play. Each session comprises of a relay race, and two games including: kickball, mattball, sharks and minnows, steal the bacon, soccer, dodgeball, football, basketball and floor hockey.
Run Fast!: Speed and Agility	Do you love to run? Do you want to learn to run even faster? Learn how to enhance foot speed, gain power and become more flexible. Using different techniques, learn to be quicker on your feet. Focus on activities with cones and ladders. A great way to burn off after school energy!
Slimy, Scaly, Ooey, Gooey Science	Explore herpetology, the science of reptiles and amphibians, learn about polymers by making our own slime, get our hands dirty by planting, and meeting some worms and more! Discover nature's recyclers, make recycled paper, explore the fungus among us, and more!
Tennis	Come and play the lifetime sport of tennis! Learn the fundamentals of the forehand, backhand, volley, serve, scoring, strategy, and overhead smash while playing fun-filled games and drills.
We are American Girls!	Explore a different story inspired by the American Girl historical book series each week. Learn customs, make crafts and accessories, play games, sing songs, and enjoy specific foods inspired by international culture and cuisine, English to Mexican to French and more! Please note you are welcome to bring your American Girl doll to class but an American Girl doll is not required to attend!
